A copy of the Purchase order once received should be returned as a token of acceptance of the terms and conditions of the Purchase Order. The EMD amount will be retained as security deposit and same will be refunded after successful installation, trial and training.

22. Criterion for rejection:

- a. The Working Committee reserves the right to accept or reject any tender or reject all tenders without giving any reasons whatsoever for their decision.
- b. Tenders are liable to be rejected in which any of the prescribed particulars/ information is either missing or incomplete in any respect and/or if the prescribed conditions are not fulfilled.
- c. Tenders which are found to be technically non-responsive shall be rejected and their commercial details shall not be considered.
- d. Canvassing in connection with tender is strictly prohibited and tender submitted by bidder will not be considered
- e. Tenders containing specific conditions of the bidder other than the terms and conditions given in the

tender document and not acceptable to the Working Committee are liable to be rejected.

- f. If the validity of the tender is not up to 180 days from the opening of the tender; the tender will be rejected.
- g. If the tender document duly signed by the authorized person on all pages is not submitted, the tender will be rejected.
- h. The bidder should quote for all the Machinery; Tools & Equipment specified in annexure II otherwise the tender will be rejected. However the commercial bid will be evaluated on the total cost.
- i. The I.A. will be catering to wide range of customers/ stakeholders including the manufacturers/exporters. Hence, preference will be given to more popular brands of machines, which are widely accepted internationally. The bidder should ensure that the machine manufacturer should have minimum 3 years of experience in manufacturing of items quoted in the tender.
- j. Before submission of the tender, the prospective bidders are expected to examine technical specifications of the equipment's required, terms and conditions, etc., given in this tender document. Failure to furnish all information required in the tender document may result in the rejection of the bid. The Working Committee reserves the right to cancel or add items, from the list of requirement of equipment's without assigning any reason thereof.

III (B) TERMS AND CONDITIONS- SPECIAL

1. Cost details are to be filled up in the prescribed form at as given at Annexure-II for all the Machinery/equipment as applicable to indicating the rate in total FOR charges.
2. All accessories, startup kit required for installation & commissioning the main equipments are to be specified and quoted.
3. The terms of payment of Tools & Equipment shall be:
 - A) 40% payment as an advance at the time of agreement between both the parties, against bank guarantee from bidder.
 - B) 50% of the payment will be released against delivery and installation of the machinery/equipment at site.
 - C) Balance 10% of the payment will be released after successful commissioning of the Tools & equipment and imparting training to the technical personnel of the CFC.
4. The bidder should take responsibility for delivering the equipment's inside the premises of main CFC site at Nhavare, Tal- shirur, Dist- Pune as mentioned in the Purchase Order.
5. The suppliers of the Machinery, Tools & Equipment should provide adequate training **free of cost** for at

least 2 technical personnel of the CFC per equipment including troubleshooting etc., and making them confident of operating the equipment independently.

6. The bidder shall adhere to the delivery period of the equipment/item as committed by him as indicated in Annexure III of the tender document, whichever is earlier. Penalty for non-execution of the order within the delivery period shall be 1% of the cost of the equipment/item for every week of delay.
7. The delivery installation & commissioning period of the Tools & Equipment as agreed to should not be extended; under normal conditions. Suitable penalty for non-execution of the order may be enforced to the extent of 1% of the cost of Tools & Equipment for every week extended. In case of the delay beyond scheduled period due to some unforeseen reason, written permission is required from the Chairman, Working Committee, with proper justification to avoid penalty.
8. The bidder shall give warranty for at least three years in respect of items quoted.
9. During the warranty period, regular servicing/maintenance should be undertaken free of charge, including replacement of defective parts/travel cost, etc. Subsequently, servicing/maintenance should be undertaken every 3 months by the authorized agency of the manufacturer /supplier.
10. Operation manuals, calibration procedures and other instruction manuals should be provided along with each of the equipment.
11. The bidder shall also mention the probable life expectancy of the machine/instrument/ accessory under normal conditions of operation wherever applicable
12. Terms for service contract (comprehensive or non-comprehensive) after the expiry of warranty period are to be included.
13. The Test Control Systems like computer and printer, compatible to them as in instrument, are to be supplied indigenously with latest configuration and licensed operating system.
14. In case of short supply or wrong supply of machinery/equipment/instrument, its parts or accessories or supply of items in damaged conditions, it is the responsibility of the bidder to arrange for the supply of the required items in working condition as per the purchase order, within a reasonable time. Any additional expenditure, whatsoever, for the above will be borne by the bidder only.
15. The specifications given in this document are the minimum requirement. The bidders are free to offer equipment/instruments with better features also. However, the evaluation shall be based on the features mentioned in the tender document. If different models are quoted, the cost details may be given in separate sheet.
16. Orders for the supply of items, once placed with successful bidder is non-transferable and no sub-contracting is permitted. The Working Committee reserves the right to cancel the order in such an event.
17. Any non-fulfillment of the stipulation given above will make the bid invalid.
18. The full payment will be released to the bidders only after completion of satisfactory performance

check of the instrument/equipment.

19. The bids shall first be evaluated on the “technical parameters” which shall inter-alia include,

- (i) Proof that the bidder is (i) either manufacturer or (ii) an authorized agent or (iii) Supplier for the equipment/item for which the bid is submitted,
- (ii) Compliance to technical specifications of the machinery/equipment, for which the bid is submitted,
- (iii) Adherence to the warranty period,
- (iv) Necessary documentary proof that the bidder has manufactured or supplied similar machinery/equipment during the past 3 years along with the list of such customers and performance report of the machinery/equipment from at least 2 such customers/users for the past 3 years,
- (v) Details regarding the service centers, stocking of spares etc.
- (vi) Compliance to all other relevant and critical terms and conditions of the tender.
- (vii) Validity of the tender up to 180 days from the date of opening of the tender.
- (viii) If any of the above mentioned parameters are not fulfilled, the bid will be considered as technically disqualified.

20. The commercial details of those bidders who are technically qualified only shall be evaluated based on the following criterion:

- (i) Total price of the equipment as free on road (F O R) destination.

21. Settlement of dispute:

- All the disputes and differences of any kind what so ever arising out of or in connection with the contract, will be settled in front of working committee.
